

October 2021

# RSS Company Newsletter

Customer-Driven, Quality Focused.

Target equips every door with a chock. Yard Drivers are required to chock each trailer going into a door and unchock each before going out!

[Read more here.](#)

RSS Playbook is a convenient online reference that offers access to important information including:

- **Company Contact List**
- **Employee Handbook**
- **Benefit & Pay Information**
- **Policies & Rules**

Access Playbook login [here](#).

Password: rss12345 (unless you changed it)

## Monitor Tire Pressure!

In colder weather, the pressure in tires drops by about one pound per square inch for every 10-degree drop in outside air temperature.

\*Mechanics - check pressure in your service truck & customers' trucks.

More Seasonal Safety tips coming soon to Playbook.
